1 PURPOSE

The User Manual contains all essential information for the user to make full use of the MSAMB web based data management system. This manual includes a description of the system functions and capabilities, contingencies and alternate modes of operation, and step-by-step procedures for system access and use. Screen shots of the system have been used extensively to show the complete end to end process flow.

2 REFERENCES

| S.No. | Name of Document | Dated |
|-------|---|--------------------------|
| 1 | Features Specification Document for MSAMB Web Based Data Management Portal v1.0 | 3 rd Jan 2018 |

3 SCOPE

The scope of this document is to capture the screen flow of MSAMB web based data management system as well as mobile application for Buyer.

This document may be referred by users during the User Acceptance Testing.

4 BUYER MODULE

There is a provision for public users to register themselves as a buyer as shown below-

The screenshot displays the MSAMB website interface. At the top, the header includes the MSAMB logo, the tagline 'Agricultural Marketplace and Farmer Database', a search bar, and a 'REGISTER' button highlighted with a red box. Below the header is a navigation menu with 'HOME', 'ABOUT US', 'BUY / SELL', and 'CONTACT US'. The main content area features an 'ABOUT MSAMB' section with a list of services and a registration form. The form includes fields for 'User Name', 'Password', and 'Captcha Code', along with a 'Sign In' button and a 'Forgot Password?' link. A 'HELP DESK' icon is also visible. The footer contains logos for the Government of India, Digital India, and Make in India, along with the MSAMB copyright notice and contact information.
